An award given to artists and galleries.

The prize consists of an award and a cash prize that will be delivered to the gallery winner. First, we'll make a selection of 10 galleries, and from this, the first selection will be named the winner.

The qualified jury will award a particular work of contemporary art, or a special stand fitted out by a contemporary art gallery within the stand of ARTEFIERA. Rotaract Bologna will award this year, combined with the award, a special prize money for the winning artist.
