## Arte Fiera: The Awards

The 44<sup>th</sup> edition of Arte Fiera, organized by BolognaFiere in Halls 18 and 15, will present **five awards** to be announced at 4 PM on Friday 24 January in the Talk Area.

The awards are: **Mediolanum Award for Painting**, promoted and financed by Stefano Pirrone, Wealth Advisor of Mediolanum, to select a work in the *Pittura XXI* section to become part of the Casa Mediolanum Padova art collection; **Wide Art Award** by Wide Group (making its debut at Arte Fiera), which will acquire the work that in the jury's opinion best interprets the concept of interaction of form, colour, and space; **A Collection Award** (another debut at Arte Fiera), providing a "mini-residence" in which the artist will create a tapestry with master weaver Giovanni Bonotto; **Rotary Award** – now in its ninth year – for the most creative installation at Arte Fiera 2020; **ANGAMC Career Award**, celebrating the role and career of a gallery owner affiliated with Italy's National Association of Modern and Contemporary Art Galleries, and specifically his/her cultural and professional achievements.

### Mediolanum Award for Painting

The Mediolanum Award for Painting (now in its second edition) focuses on painting, a medium poised between tradition and innovation, that in recent decades has witnessed an explosion of technical and conceptual experimentation, welcoming challenges posed by new technologies as well as by identity-related, ecological, and social issues.

The Award will be the acquisition of a work exhibited in **Pittura XXI**, curated by Davide Ferri, a section making its debut at Arte Fiera 2020. The winning work will become part of the Casa Mediolanum Padova art collections.

### Wide Art Award

The Wide Art Award, created by Wide Group insurance brokers, focuses on emerging artists. It is addressed to all of the works exhibited at the Fair – without restrictions on medium or content, but with a preference for cutting edge contemporary art – and will be assigned to the work that best interprets the concept of interaction of form, colour, and space: the same interaction that exists among Wide Group's professionals, who exploit their different skills and experiences to offer their clients the finest insurance advice.

After its debut at Palazzo Barolo in Turin, the award is the second step of the "A Collection" project, curated by Chiara Casarin, which combines the search for young and successful Italian artists with the creative vision of new weaving techniques. To date, the project has led to the creation of 10+1 large and fascinating contemporary tapestries made with threads obtained from the processing of recycled plastic.

## Rotary Award

The Rotary Award – now in its ninth year – is presented to the most creative installation at Arte Fiera 2020. In this edition, all of Bologna's Rotary Clubs will participate in the Award as the Felsineo Rotary Group. Synergies have been confirmed with Rotaract and with the Free Academy of Caravaggio Studies "Francesco Maria Cardinal del Monte", as well as the collaboration with Rotary International Distretto 2072 Emilia-Romagna and the Republic of San Marino.

The Award includes:

Rotary Award Arte Fiera 2020 to gallery

Presented to an installation, or to the set-up by a contemporary art gallery in a stand of Arte Fiera 2020, that excels in originality and creativity. Not involving an acquisition, the award is addressed to all contemporary art galleries at Arte Fiera.
