Mercedes-Benz Stefauto at Artefiera: Celebrating Innovation and Technological Excellence

Mercedes-Benz Stefauto SPA is pleased to announce its participation in the 50th edition of Artefiera, the prestigious artistic event taking place in Bologna from February 2nd to 4th. Stefauto's presence is a tribute to the innovation and technological excellence that have always characterized the Mercedes-Benz brand.

At the Mercedes-Benz Stefauto booth, visitors will have the opportunity to immerse themselves in a unique experience where art and automotive innovation merge in an unprecedented synergy. In celebration of the 50th anniversary of Arte Fiera, the partnership is further solidified through the availability of Mercedes-Benz EQ Courtesy cars, combining the allure of electric driving with the comfort, safety, and reliability typical of the three-pointed star.

Culture and Automobile at Arte Fiera

Stefauto's presence at Arte Fiera underscores the ongoing commitment of the Stefanelli family to support and promote culture, creating meaningful connections between the world of automobiles and contemporary art. Stefauto has a new showroom at Viale Carlo Berti Pichat 10 and three workshops strategically located in the city.

Discover the synergy between artistic creativity and automotive innovation

We invite you to visit the Mercedes-Benz Stefauto booth at Arte Fiera and enjoy an experience that celebrates the synergy between artistic creativity and automotive innovation.
