Percorso

In addition to the curated sections, there will again be **Percorso**: not really a section, but, as the name implies, an itinerary that thematically links some of the stands in the Main Section. This year, Percorso's theme will be a universal language that unites artists of different generations and styles: **design**. For the 2024 edition, Percorso is supported by an excellent partner, linked to Bologna but famous worldwide: **Ducati**. The prestigious motorcycle brand has chosen to merge a format whose name expresses the concept of mobility and dynamism with a theme – drawing – that includes the dimension of design, fundamental for its identity.
