Arte Fiera 48: Scena Italia

7-9 February 2025
Preview 6 February 2025

After celebrating a half-century of activity with a memorable 2024 edition, marked by the return of some of the best Italian galleries and by the presence of many important collectors, Arte Fiera expands with **Prospettiva**, a new section for up-and-coming artists and galleries, a **special hospitality program for foreign curators and critics**, and a **new, lively, pop graphic identity**, curated by LeftLoft. No basking in past glory, but a desire to widen our horizons and embrace new territories.

Governance and venue

For the third year, the governance of Arte Fiera is entrusted to **Simone Menegoi** as Artistic Director and to **Enea Righi** as Managing Director: this unique collaboration created the 2023 and 2024 editions, which were unanimously declared the finest in recent years. These results also derived from the decision to return the fair to its traditional halls (25 and 26), among the most elegant in the Bologna Fair District, and from a large investment in communication, services, and in collector accommodation.

Sections and curators

The Main Section of Arte Fiera, divided as always into post-war and contemporary art, is now accompanied by four curated, invitation-only sections: **Photography and moving images**, entrusted for the third year to **Gian Gavino Pazzola**; **Pittura XXI**, curated by **Davide Ferri**; and **Multiples**, curated for the second year by **Alberto Salvadori**; plus the new section **Prospettiva**, curated by **Michele D'Aurizio**, devoted to emerging artists, represented by new or established galleries that have a research program.

In addition to the curated sections, there will again be **Percorso**: not really a section, but, as the name implies, an itinerary that thematically links some of the stands in the Main Section and in the curated sections. The theme chosen for Percorso 2025 is “**Community**.”
